About Metronet

Metronet is PCMag’s “Fastest Major ISP for 2023 and 2024,” providing multi-gigabit internet service to homes and businesses in cities like Colorado Springs, Des Moines, Indianapolis, Lexington, Norfolk, Tallahassee and more than 300 other communities across 17 states. Expanding its fiber-optic network in more than 90 communities at any one time, Metronet has become the country’s largest and fastest growing privately owned fiber-to-the-home company. More information on the Evansville, Ind.-based company can be found at metronet.com.
